JUSTIN JONES,)	
)	
Respondent.)	

ORDER AFFIRMING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Doyle W. Argo, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Argo entered his Report and Recommendation on July 12, 2010, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and law are accurately set out in the Magistrate Judge's Report and Recommendation and there is no purpose to be served in repeating them yet again. In his objection, Petitioner essentially restates the conclusions and legal argument originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons announced therein, denies this petition for habeas

corpus relief. Petitioner's Motion for Appointment of Counsel (Dkt. No. 20) is likewise denied. A judgment will enter accordingly.

IT IS SO ORDERED this 17th day of September, 2010.

ROBIN J. CAUTHRON
United States District Judge
